

Prayer Guide

Evangelizing the Cities of Africa through Word and Deed in Partnership with the Church

APRIL 2024

Spotlight on Malawi

- 01 Pray for the AE team in Malawi under the leadership of Cornelius Huwa that they may be strengthened in their work.
- 02 We thank God for the engagement of churches and evangelists in Malawi through AE's work and ask for continued strength and safety as they engage with people in extreme poverty.
- 03 Pray for those people who met Christ during the October 2023 Lilongwe Mission, that God's love will continue to grow in them.
- 04 Pray for continuous funding for the Malawi tailoring project, which provides vulnerable women with new skills and abilities.
- 05 Malnutrition is a serious problem in Malawi and contributes to preventable child deaths. Let us pray for more people to have access to food, sustainable farming and healthcare.
- 06 The volatile climate, poor economic growth and ever-growing population in Malawi is cause for concern as it leaves many families impoverished. Pray that the AE team will continue to bring hope and care to communities in need.
- 07 "Lord, when did we see you hungry and feed you, or thirsty and give you something to drink? When did we see you a stranger and invite you in, or needing clothes and clothe you? When did we see you sick or in prison and go to visit you?" The King will reply, 'Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me.'" Matthew 25:37-40
- 08 Pray for the AE Malawi Foxfires to have success as they minister in schools, churches and marketplaces around the country.
- 09 Malawi relies heavily on its agriculture industry. Pray for rain as Malawi is still recovering from major droughts and is highly vulnerable to climate change.
- 10 More than 300 million Africans do not have access to clean water. AE's work in sanitation and health provides important help to communities in need. Let us pray that effective infrastructure can be put in place.
- 11 Malawi's HIV rate is one of the highest in the world, with more than 7.6% of the adult population living with HIV. Pray for the provision of resources and care for the people living with HIV.
- 12 Pray that churches become better equipped to face HIV/AIDS with helpful ministries.
- 13 Pray that the light of Jesus will set free those who are held captive by witchcraft.
- 14 "He was wounded for our transgressions, He was bruised for our iniquities; the chastisement for our peace was upon Him, and by His stripes we are healed." Isaiah 53:5
- 15 One of the biggest factors preventing theological training is the intense poverty that makes education so challenging. Let us pray that funding from the government will reach the education system of the country.
- 16 Let us pray for the Christian Church to be steadfast so that people are not led astray and receive the undiluted Word of God.
- 17 We ask that God will arise and defend the oppressed in this country so that Malawi can be liberated from all forms of wrongdoing.
- 18 The Gospel of Christ needs to be taken across Malawi. Let us pray for more committed church leaders and that with the help of AE's pastor training program program and missions, we can reach even more people.
- 19 Pray that the dignity of the nation is restored by delivering Malawi from all forms of corruption.
- 20 Pray that God will destroy all forms of unrest in this country for economic growth and development to prosper.
- 21 "Defend the weak and the fatherless; uphold the cause of the poor and the oppressed. Rescue the weak and the needy; deliver them from the hand of the wicked." Psalm 82:3-4
- 22 Pray for the government of Malawi that they will govern justly with transparency and integrity. President Lazarus Chakwera is a Christian.
- 23 Pray for all who came to Christ in the Lilongwe Mission last year, that they will stay strong in their faith, grow with the help of the Church and be enriched every day.
- 24 Pray that God will supernaturally restore the economy of Malawi and let this beautiful land be filled with peace and harmony.
- 25 Pray that the work of AE evangelists will build up the body of Christ.
- 26 Pray that the funding needed for the 2024 Mzuzu Mission in Malawi in October will be provided for the sake of His Kingdom.
- 27 Malawi is prone to natural disasters like dry spells, droughts, intense rainfall and floods. Pray for the country to be better prepared and equipped to cope with natural disasters.
- 28 "For as the body is one and has many members, but all the members of that one body, being many, are one body, so also is Christ. For by one Spirit we were all baptized into one body—whether Jews or Greeks, whether slaves or free—and have all been made to drink into one Spirit." 1 Corinthians 12:12-27
- 29 Due to COVID, there have been interruptions to Malawi's three-year plan for rapid economic growth. Let us pray that the growth plan can resume to get Malawi back on track as soon as possible.
- 30 Pray for our partner churches and pastors who are currently undergoing training to partake in mission this year.
